Every effort will be made to ship the exact quantity ordered. However, due to manufacturing quality and production standards, overruns and underruns may occur. The normal industry standard is 10% over or under the quantity ordered. Here at Whitestone Branding, our policy has always been a + or - 5% overrage / underrage allowance and we bill accordingly to the product that is produced and shipped. Every effort is made to only produce the quantity of goods that has been ordered to the best of our abilities. Due to changing factors in production slight differences may result in the end product ordered. By your approval, you acknowledge your formal acceptance and confirmation of this order, which requires payment upon signature of 50% of the sales order, and full payment of the balance invoice due upon delivery of the order.
