comments: Please note that our ordering system didn't let us note the decoration methods how the customer would like, but hopefully I clarified well enough in the notes section - please send us an eproof of the black journal showing the Merck Inventing for Life logo larger/centered on the cover and then the regular Merck logo without a tagline a little smaller & placed in the bottom right corner of the cover in Teal PMS 3282c and Grey PMS 432c. Just advise if you need anything else in order to proof - thanks! As far as shipping, these are to go to the buyer's office in NJ on Merck's UPS# 0813E0, but please confirm your current/best ship date! Thank you!
