FreightDetails:
carrier: UPS
service: UPS Standard Ground
Once ready, please ship 4 units to CI via GROUND on Merck's UPS# A333E9. The balance of 10k are to be packed and then palletized for pick-up so we can make the arrangements w/ the customer's freight team to see which of their preferred carriers should move these for us (from your US facility). PLEASE NOTE the max height of 50" on the pallets and send us the pick-up address/specs once you have all the info. Please also be sure that each carton is marked w/ the following: Nobivac - White Journals - 2021 Qty per Case: __ Case __ of __ FYI - the journals MUST all be delivered by Mon, 11.29. It usually takes a couple of days once the trucks pick up the goods to have them delivered - not including weekends or holidays...so if you foresee any issues w/ the timing (and we need to ship loose boxes on the customer's UPS# to deliver by late Nov), please advise ASAP. Thank you - and please let us know if you need anything else!
