Remark(s):

- 1. See enclosed protocol for the test results.
- 2. As per the request, only the following test(s) was conducted in this test report:
 - Client's 8 phthalates content test
 - Lead content in surface coating test
 - Client's Total Lead Content test
 - Total Cadmium Content test
 - -Lead in PVC
 - Performance test under BVCPS protocol 2070(CN) and 2070(US)
- 3. The submitted sample(s) did not contain any material which is applicable for Lead in PVC test. Therefore, no testing under Lead in PVC was conducted.

NOTE: If there are questions or concerns regarding above report, please contact the appropriate lab persons.
